Greensburg Alliance Church  
April 24 - 25, 2026

Emily is a hospice chaplain and a licensed social worker. She lives in Latrobe with her husband, Matt. They have two daughters, Mackenzie and Madelynn. Emily has wound her way through the local church in various ways for more than a decade of professional ministry and graduated with a Master's of Divinity from Wesley Seminary. Recent years have led her to meeting Jesus more personally and finding God in the everyday moments of life. You can join her in that journey by checking out her book, *Everyday Epiphany: Discovering God In Every Moment*.

After 25 years as church planters in Chile, in 2014 Cheryl and her husband Bob moved to Mexico to start new churches in a region with very little gospel witness. As Cheryl says, "We are very normal people but empowered by an amazing God." They have 4 children and 11 grandchildren.

Cheryl is the director of Circle of Hope, which ministers to women and children who have been abandoned, abused, or left in extreme poverty, by hosting workshops that lead to small businesses, giving women dignity, skills, and a way to advance in society. During these workshops, Jesus is presented as our HOPE even in hard times.
